

Partnering for Scientific Innovation

- The Los Alamos National Laboratory Experience -

Date: September 13, 2006
Time: 10:00am – 12:30pm
Venue: Aso-no-ma Room, Tokai University Kouyu-Kaikan (See map on reverse side.)
Kasumigaseki 3-2-5, Chiyoda-ku, Tokyo (33rd floor of Kasumigaseki Building)

Sponsors: Ministry of Economy, Trade and Industry (METI)
Research Institute of Economy, Trade and Industry (RIETI)
National Institute of Advanced Industrial Science and Technology (AIST)
New Energy and Industrial Technology Development Organization (NEDO)

During Dr. Wallace's visit in Japan, we would like to have an opportunity to hear his experiences in Los Alamos National Laboratory upon innovation through R&D among governments, private sectors and research institutions. Authorities and experts on R&D innovation in Japan will appear as panelists and discuss the current situations in the US as well as in Japan. There will be simultaneous interpretation to facilitate constructive, effective discussions at the seminar. We would warmly welcome your participation in this special seminar.

Program

◇ **Keynote Speech** **Dr. Terry Wallace**
Principal Associate Director for Science, Technology & Engineering,
Los Alamos National Laboratory

◇ **Panel Discussion**

Panelists: Dr. Terry Wallace, Ditto
Prof. Kazuhito Hashimoto, Director General, Research Center for Advanced Science
and Technology, University of Tokyo
Dr. Masaru Yoshitomi, President and Chief Research Officer, RIETI
Dr. Hiroshi Yokoyama, Director, Nanotechnology Research Institute, AIST
Mr. Takashi Tomita, Corporate Executive Director, Solar System Group, Sharp Corporation

Moderator: Mr. Haruhiko Ando, Director for New and Renewable Division, Agency for Natural Resources
and Energy, METI

Keynote Speaker

Dr. Terry Wallace

Principal Associate Director for Science, Technology & Engineering

Academic background

B.S. in geophysics and mathematics (New Mexico Institute of Mining & Technology)

Ph.D and M.S. in geophysics (California Institute of Technology)

Professional career

~2003 Professor of geosciences and an associate in the applied mathematics program at the University of Arizona for 20 years

2003~ Los Alamos National Laboratory

2005~ Associate Director for Strategic Research

2006~ Principal Associate Director for Science, Technology, and Engineering

Panelists

Dr. Terry
Wallace

Prof. Kazuhito
Hashimoto

Dr. Masaru
Yoshitomi

Dr. Hiroshi
Yokoyama

Mr. Takashi
Tomita

Moderator

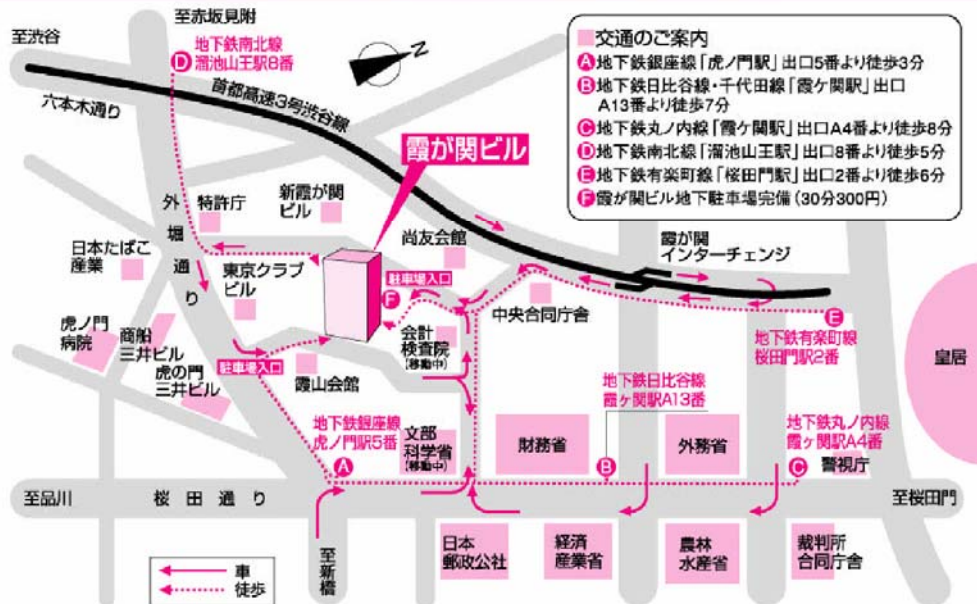

Mr. Haruhiko
Ando
