SIX-WIN ideology

Action speaks louder than words

Six-win symbolizes **six-hands holding** firmly together forming a **value chain**, relying and supporting each other, each is indispensible. It advocates and emphasizes the importance of achieving **mutual benefits** between all parties, to realize **win-win** situation and **sustain long term development growth together**.

How does 1 + 1 = 11?

Factors Equations	Direction	Position
1 + 1 = -1	Different	Different
1 + 1 = X	Different	Same
1 + 1 = 1	Same	Same
1 + 1 = 11	Same	Different

aigo's Chess Culture

Cannon in Chinese Chess

Progressing by leaps and bounds
